**Hello, and welcome** to Conference 2015! I'm glad you're here – here to enjoy beautiful Lancaster, and God's plan for you this week.

When I was asked to be Conference President two years ago, within a matter of seconds I had the word "steadfast" in my mind. God had given me a theme. Now after traveling to our various SDB churches and associations, I've come to realize God gave me a word, and left me to seek His meaning for me.

I invite you to do the same during Conference week. Maybe God will open your eyes to His steadfast love, grace, and mercy in your life. Perhaps this will be a time He makes it clear how you can step up and renew your steadfast faith and Christian example as you prepare to head back home. Maybe it will be both.

Whatever God has planned for you, I pray this Conference will leave you refreshed and recharged. To help, I encourage you to:

- get educated at one or more of our seminars (financial management, abuse counselling, 'Prayers and Squares' quilting, inter-cultural ministry, and women's retreat planning)
- enjoy the fellowship with some fun activities (Bible quizzing, softball, church feud, and the youth vs. pastors — and girls vs. pastors' wives & women church leaders! — basketball games)
- get involved in the future of SDBs through our interest committees and business meetings
- encourage our children and youth as they plug into ministries and activities geared specifically for them
- take part in the 5K and our prayer walks
- sing in the choir
- enjoy the Stained Glass and bells/hand chime concerts, and
- study the Scriptures in our morning Bible studies

Have yourself a steadfast experience this week! It's just waiting for you to start!

God bless,

Bill Probasco

**About DAVE BAILEY:** **Ranch Hope** was founded in 1962 by the Rev. and Mrs. David L. Bailey. While Rev. Bailey was in the pastorate, he gave a speech to a local service organization entitled, “Youth in Trouble.” After the meeting, a member challenged Rev. Bailey to do something about the problems he had outlined in his talk. The seed was planted to back up his concern for pre-delinquent teenagers with action. On May 5, 1964, the first boy came to the Ranch from the Woodbury Probation Department. Within a few months, the first residence was filled with 12 boys. Ranch Hope has expanded to 130 acres. The Ranch now serves over 90 young men and women, offering a high school education and a full-time residential program with an emphasis on bringing the Gospel into the lives of its students. **About MARK HAMILTON:**

Born in Australia, Mark Hamilton is the founder of Young Life Belarus & the Baltic States. Coming from a non-Christian background, Mark knows what it means to reach out to teenagers.

When asked, “Why Belarus & Baltic countries?” Mark and his wife Lera respond, “We fell in love with the people, culture and history of this area; there is a great need here with very few missionaries or ministries reaching the non-Christian youth. It is our hope, with God’s help, that we can introduce Jesus Christ to every young person and give them an opportunity to follow Him.”
